

***Do you....
Shop for groceries? Eat at restaurants?
Shop at the mall? Shop online?***

If you answered “yes” but you’re still not using Scrip or Electronic Scrip (eScrip) for your purchases, you could be losing lots of money that could be going to Carver.

That’s because when you pay with Scrip or register your grocery cards and credit card at eScrip.com, you actually earn a small percentage of your purchase for Carver.

Using Scrip does not cost you a penny extra. It’s just like buying a gift card. The Carver Enrichment Fund purchases Scrip at a discount and sells them to you at face value. The difference goes to Carver to be spent on items that enrich our children’s educational experience.

Electronic Scrip (eScrip) is another easy way to help earn money for Carver. By registering your grocery cards and credit cards, each time you shop and scan your card at a participating merchant or restaurant, a percentage of your purchase will go to Carver. You’ll earn money for Carver without even thinking about it. It’s fundraising while you shop! Trust that your credit card information will always remain private and secure.

The Scrip program is administered by the **K.L. Carver Enrichment Fund** – a non-profit organization not affiliated with the PTA, whose sole purpose is to help raise funds for Carver. Your past support of Scrip and Electronic Scrip has allowed the Enrichment Fund to pay for Carver’s outdoor playground equipment and upgrades, drinking fountains, and teacher workroom equipment.

This school year, all funds raised by the Carver Enrichment Fund will be used to fully support the Carver Computer Lab. The lab’s top priority is to keep our students at the cutting edge of technology. By supporting the Enrichment Fund, you will ensure that your child will be prepared for the 21st century.

We’re asking for **100%** participation from all Carver families by purchasing Scrip and signing up with eScrip. It’s easy and it’s free! Scrip is available for purchase every Tuesday morning (8:15am-9am), 2nd & 4th Friday of the month (2:15pm-3pm) and 2nd Tuesday of the month in the Kinder patio (10:45am – 11:45am).

Free Money For Carver!!!

There is an easy way for Carver to raise funds. It costs nothing for participants, and takes you only 5 minutes to sign up. If we reach our goal of 100% participation, Carver could raise over \$50,000 annually! Sound too good to be true? It's not. Other schools are earning this kind of money. We should be too! *The program is eScrip.*

How does eScrip work? It's very simple. Carver supporters (parents, teachers, grandparents, etc.) register their credit, debit, and grocery cards online at eScrip. When registered cards are used at participating merchants, a percentage of the sale will AUTOMATICALLY be donated back to Carver. That's it! This is free, easy, and convenient. And, it adds up fast. For example, \$400 spent at participating markets (Vons, Hows or Pavilions) would result in a \$6 rebate to Carver. Multiply that by 20 families, and that's \$120 of free money!

Based on expenditures of \$400 per month, at participating merchants, the chart below illustrates the extraordinary fundraising power of the eScrip program. Expenditures can be for food, clothing, travel and entertainment, as well as miscellaneous family purchases. AND, keep in mind that with the eScrip program, extended family and friends who live in and out of town can also participate.

Carver Families' Earning Potential		# of Supporters →		500 families
Program Type:	Participation for a family of four Based on:	Group Potential Earnings		
		Monthly	Annually	
Grocery	\$400/month	\$3,000.00	\$36,000.00	
10% Goes Back to Schools Program	\$100/month	\$5,000.00	\$10,000.00	
Credit/Debit card merchants	\$100/month	\$1,000.00	\$12,000.00	
Online Mall	\$10/month	\$250.00	\$3,000.00	
Full Participation (less 15% eScrip administrative fee)		\$7,862.50	\$51,850.00	

This school year, all funds raised by the Carver Enrichment Fund will be used to fully support the Carver Computer Lab. Your support now directly benefits all Carver children today and for the future.

Take Advantage of Everything eScrip Has to Offer!

Vons/Pavilions – If you shop at these markets and have a club card, sign up with eScrip today. Once enrolled, Carver will earn a percentage of your qualifying purchases each time you swipe your club card or provide your phone number at check-out. **Don't know your club card number? Please call 1-877-723-3929 to obtain your card information.**

HOWS, Valu-Mart & Super-A- Foods – If you shop for groceries at any of these markets, be sure to enroll your Community Card with eScrip. Carver will earn a percentage every time you shop and swipe. If you do not have a Community Card, please visit the scrip table or contact: *Cindy Hollomand* at crhollomand@sbcglobal.net

ATM/Credit Cards (Visa, MasterCard, American Express, Discover) – Register your credit and ATM cards and earn funds for Carver when you shop at participating eScrip merchants, including Bristol Farms, Orvis, Disney Cruise Lines, Claim Jumper and more. For your safety, we prefer that parents enter their own ATM/credit cards info on-line. However, if you choose, we can do it for you. All information will remain private and secure.

eScrip Dining – If your family eats out often, why not help Carver at the same time? When you pay at a participating restaurant with a registered credit or debit card, eScrip Dining tracks the dinner and automatically awards Carver with 2.5% for every dollar you spend on your entire dining bill. There are thousands of participating restaurants including *Celestino, The Boiling Pot, Maria's Italian Kitchen, Thai Purple, The Kitchen Italian* and more. Visit eScrip.com for a complete list. Be sure to register all your credit and ATM cards to take full advantage of the eScrip dining program. All information will remain private and secure.

On-Line Shopping – eScrip.com has links to all your favorite websites: Amazon, Ebay, Nordstroms.com and hundreds more. Before you shop, log into your eScrip account and click on "On-Line Mall". Shop as you normally would. You'll earn a percentage for Carver every time you shop on-line. Please note that you must first go through the eScrip website to make all your purchases count.

Already registered? Visit www.escrip.com and go to "My eScrip" to confirm that your credit cards and grocery cards are current. ***Remember, Vons Club cards need to be renewed on-line every year before November 1, 2010, otherwise Carver will not get credit for your purchases.*** Please continue to use your registered grocery cards and credit/ATM cards to support Carver. Don't forget to enroll family and friends too. The more members we sign up, the more money for Carver!
