## Noontime Exploratory Program

What is Noontime Exploratory Program?

It is an activity for students to participate on certain Fridays during lunchtime every month throughout the school year. These activities will only take approximately 10-15 minutes. All activities will require a small fee to cover the cost of supplies.

There will be a few new activities and the return of many favorites. Please fill out the form and return it with a check for the total amount of all activities that you are going to participate in. Please make your check payable to Huntington PTA. Make sure that you make a copy of the sheet of activities that you have selected and you mark the dates on your calendar. This will ensure that you don't miss out on any events that you signed up for.

Thank you,
