Dear Parents,

**Annual Prepayment** is a very convenient way to pay for student lunches. Payments can be made on-line or by check. Weekly, monthly, or daily payments options are also available.

To access the on-line payment go to [www.MyNutrikids.com](http://www.MyNutrikids.com) and follow the instructions. You must use your student's legal name, his or her School Student Identification Number and the School's zip code (91108).

The price quoted below is for a school lunch only. Additional money will be needed at the Secondary Schools for extra items. If you would like to set a **daily limit** please indicate that amount on your check. **Make sure to always maintain a positive balance; charges are not allowed.**

**Prepayment checks will be credited within 24-48 hours. Receipts will be issued only when requested. PLEASE DO NOT MAIL CASH. MAKE CHECKS payable to the Cafeteria of the school that your child attends.**
